

Corporate Principle

– **K**: trust from all over the world –

As an integrated logistics company grown from shipping business,
the “K” LINE Group contributes to society so that people live well and prosperously.

We always recognize this principle in our operations.

Vision

Our aim is to become an important infrastructure for global society, and to be the best partner
with customers by providing the high-quality logistics services based on customer first policy.

Values the “K” LINE Group prizes

**Providing reliable
and excellent services**

Contributing to society

A fair way of business

Fostering trust from society

**Relentless efforts
to achieve innovation**

Generating new values

Respecting humanity

Corporate culture that respects
individuality and diversity
