Kawasaki Kisen Kaisha, Ltd

Introduction movie of “CENTURY HIGHWAY GREEN”
~“K” LINE’s first LNG-fueled car carrier to accelerate GHG reduction ~

On March 12, the “CENTURY HIGHWAY GREEN”, a car carrier fueled by LNG (liquefied natural gas) that had been under construction at Tadotsu Shipyard Co., Ltd., part of the Imabari Shipbuilding Group, was delivered to “K” LINE.

Please watch her first appearance on “K” LINE’s YouTube Channel.
