Kawasaki Kisen Kaisha, Ltd.

Publication of “K” LINE SUSTAINABILITY BOOKLET

Kawasaki Kisen Kaisha, Ltd. (“K” LINE) is pleased to announce the publication of “K” LINE SUSTAINABILITY BOOKLET (English version, in PDF format).

The booklet is issued for helping our stakeholders’ better understanding of the concept and the specific initiatives of “K” LINE’s corporate sustainability management.

Through this booklet, we would like to convey our thought that our sustainability management is aimed at the sustainability of both the society and “K” LINE, reconciling the solution of social issues and our own growth.

“K” LINE SUSTAINABILITY BOOKLET is available on “K” LINE’s website at
