“K” LINE was selected as “A List 2021”, the top rating, on climate change from CDP, which is a non-profit global organization (NGO) engaging in activities for realizing sustainable economy, on December 7, 2021. In this year, due to stricter evaluation criteria, the number of recognized “A List” companies have decreased from 280 in the previous year to 200 in this year, of which 55 are Japanese companies.
