The establishment of KMSM is in line with our "K" LINE Group's plan to further enhance the "K" LINE Group's value and presence in Asia and in Singapore. Being one of the global bases of the "K" LINE Group, KMSM will be supporting our "K" LINE Group's Asia businesses, which has been identified as one of the future growth markets under our "K" LINE Group's New Medium-Term Management Plan.

KMSM aims to provide high-quality and trusted ship management services and establish a customer-oriented support organization rooted in the region, and flexibly respond to diversifying needs. With this, it is KMSM's intention to strengthen our global functional strategy structures of marine technology, organizations, human resources including ship management companies.
