Reasons for Nomination of Newly-Appointed Executive Officers

The reasons for nomination of Executive Officers to be newly appointed on April 1, 2020 and their career summaries are as follows:

1. Reasons for Nomination

When appointing Executive Officers, the Board of Directors selects those who meet requirements for ability and personality and are subject to the Nominating Advisory Committee's fair, transparent and rigorous deliberations and recommendations as described in Kawasaki Kisen Kaisha, Ltd. Corporate Governance Guidelines.

In consideration of their performance, etc. in the business units and departments of which newly-appointed Executive Officers are in charge, they have been nominated as Executive Officers in order to continue to best utilize the extensive knowledge in business matters and human network that they have previously gained through their diverse job experiences in our management.
