# High-quality logistics solutions making full use of group comprehensive strength

## Air and Sea Freight Forwarding & Customs Clearance

The "K" Line Group runs a global Air and Sea Freight Forwarding business with more than 170 operation bases in Japan and overseas. This business is spearheaded by "K" Line Logistics, Ltd. (KLL) and Air Tiger Express Companies, Inc. (ATE). With an integrated Land-Sea-Air Transportation system, we deploy our network, which covers the entire world, to provide Door-to-Door International Transportation services, including Customs Clearance, to meet the diversified needs of customers. Kawasaki Kinkai Kisen Kaisha, Ltd. and "K" Line RORO Services Ltd. are operating break bulk vessels and RORO vessels, which also support the transport of special cargo such as plants, heavy goods and steel materials.

"K" LINE LOGISTICS, LTD.

"K" Line RORO Services Ltd.

Kawasaki Kinkai Kisen Kaisha, Ltd.

## Land Transportation and Machine Installation

The "K" Line Group's Land Transportation services center mainly on Japan and elsewhere in Asia. "K" Line (Thailand) Ltd. spearheads this business in Thailand, providing a wide range of services that include Container Transportation, Completely Built-Up Car Transportation, and Parts Milk Runs (cyclical cargo pickups). Meanwhile, PT. "K" Line Mobaru Diamond Indonesia, under the umbrella of PT. "K" Line Indonesia, holds the top share of the Automobile Transportation market in Indonesia. And more, in Japan and Thailand, Nitto Logistics Co., Ltd. and "K" Line (Thailand) Ltd. have accumulated a long history in machine installation work, and they will expand this service to other areas.

Thailand·"K" Line (Thailand) Ltd.

## Warehousing

The "K" Line Group provides Warehousing, Distribution Processing, and Delivery services through a network of around 120 bases, centering on Japan, elsewhere in Asia, and the United States. Bangkok Cold Storage Service, Ltd. (in Thailand) and CLK Cold Storage Company Limited (in Vietnam) operate cold storage facilities—mainly food-related storage and transportation—and are expanding their Cold Chain business with an emphasis on Asia. In addition, we are developing Buyer's Consolidation\* utilizing "K" Line group's logistics management system "VMS" (Visibility Management System) and advanced "Transload and Cross Dock" service mainly in North America.

\* Buyer's Consolidation: Consolidation-distribution system in which single buyer uses an agent to collect products from multiple local manufacturers that are co-mingled into containers for transport to destination.

**TOPICS 01**

**Resolve issues by proposing strategic logistics**

We propose strategic logistics in customers' perspective against the problems of complicated and advanced international logistics. We will undertake not only general cargo transportation but also customer's special needs, such as supply chain management and logistics of special products requiring advanced technology.

**TOPICS 02**

**Resolve complicated logistics management to simple one**

We provide customers with efficient supply chain management with our own inventory control and warehouse system that reflect clients' voice. We make complicated distribution managing system simple for you. We will establish an efficient production and transportation flow to compete in the world market.

**TOPICS 03**

**Provide a cold chain with you**

We provide cold chain logistics using special packing material or thermal managed facilities to transport delicate cargos which need thermal management, with our abundant experience dealing in goods like pharmaceutical products, vaccine, foods and chemicals.

**Company Profile**

Base	Tokyo, Chiba, Kanagawa
URL	<a href="https://www.daitocorp.co.jp/english">https://www.daitocorp.co.jp/english</a>

TOPICS  
01

**Respond to requests by one-stop solution, providing full service for logistics issues**

As a comprehensive logistics partner, Nitto Logistics has the answer for various demands such as import and export mainly from the Kansai / Setouchi District, land and maritime transportation, large warehouses and packaging.

TOPICS  
02

**Improve Logistics with the power of machines**

We arrange professional staff and consistent support from transportation of factory equipment to machine installation. We propose optimal transport mode not only for import and export cargo, but also for high & heavy cargo in domestic transportation by cooperating with group companies. We will advance logistics one step ahead with our engineering skills.

TOPICS  
03

**Considering safety and environmental sustainability**

As an international logistics company supported by a long history in harbor transportation, we will provide service taking safety and the environment into consideration, based on our business philosophy, "Contribute to society through customer satisfaction with constantly safe, reliable, and speedy logistics services".

**Company Profile**

Company Name	Nitto Total Logistics Ltd.
Establishment	1926
Main Business	Harbor transportation, Warehousing, Ship operation agency, Coastal shipping business, Custom brokerage, Construction industry
Address	4-6 Minatojima, Chuo-ku, Kobe
Base	Hyogo, Osaka, Tokyo, Aichi, Okayama, Kagawa
URL	<a href="http://www.nitto-ntl.co.jp/en">http://www.nitto-ntl.co.jp/en</a>

TOPICS  
01

**Offer service supporting the main stream of logistics from Hokkaido throughout the world**

As a comprehensive logistics company mainly in Hokkaido, we are expanding our overall network in Japan and providing any transportation service by land, sea and air.

TOPICS  
02

**Achievements and know-how**

In Hokkaido surrounded by the oceans, where the importance of logistics is very high, we played a very important role in logistics industry and accumulated a long history. During this time, we achieved a fast and safe transportation record by meeting customers' requirements.

TOPICS  
03

**Our powerful network as one of the core companies of the "K" Line Group**

We own various networks around the world. We provide multimodal transportation services with over a thousand-trailer fleet, which is friendly both to environment and truck drivers.

**Company Profile**

Company Name	Hokkai Transportation Co., Ltd.
Establishment	1964
Main Business	Harbor Transportation, Freight Forwarding, Land Transportation, Customs Clearance, Warehousing, Air Transportation, Ship Operation Agency, etc.
Address	101-II, Nishiko 2-chome, Kushiro, Hokkaido
Base	Hokkaido, Tokyo, Ibaraki, Oita
URL	<a href="http://www.hokkai-unyu.co.jp/en">http://www.hokkai-unyu.co.jp/en</a>

TOPICS  
01

**Fulfilling service system based on West Japan**

Concerning harbor transportations and logistics operations in the Seto Inland Sea region and the entire Kyushu region, we meet various customers' requirements with accumulated know-how since our founding time, utilizing latest equipment and fulfilling service menus.

TOPICS  
02

**Corresponding to various international logistics**

We provide global logistics service by utilizing high quality transportation modes and information technology covering all sea, land and air and by making full use of domestic and overseas networks. We will continue to challenge.

TOPICS  
03

**Collaboration with "K" Line Group Companies**

As a member of "K" Line Group Companies, we will further strengthen cooperation with our group companies and partners in Japan and overseas, and will provide services that more accurately respond to wide and diversified needs.

**Company Profile**

Company Name	Seagate Corporation
Establishment	1956
Main Business	Harbor Transportation, Coastal Shipping Business, Warehousing, Tugboat, Land Transportation, Customs Clearance, Freight Forwarding, etc.
Address	2-22-37 Dejima, Minami-ku, Hiroshima-shi, Hiroshima-ken, 734-0013 Japan
Base	Hiroshima, Tokyo, Okayama, Yamaguchi, Fukuoka, Oita
URL	<a href="http://www.seagatecorp.com/english/">http://www.seagatecorp.com/english/</a>

TOPICS  
01

Supporting global business activities beyond the ocean

The Overseas Business Department is responsible for transporting various cargoes, mainly steel products and bulk cargoes in Japan, Southeast Asia, Oceania, North America and elsewhere. We are contributing to the realization of a borderless society and economy across borders.

TOPICS  
02

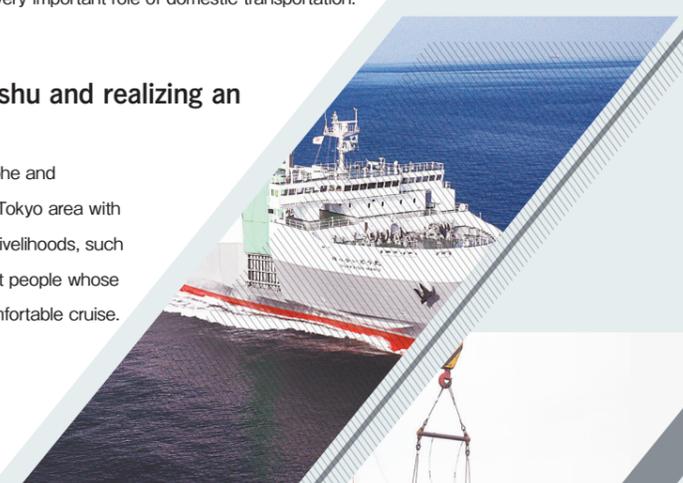

As a major supplier of domestic logistics, undertaking marine transportation single-handedly

Domestic liner department that conducts marine transportation of trailers and trucks with cargo, construction machinery and commodity passenger cars. Domestic tramp department which conducts marine transportation of raw materials for key industries such as limestone, coal, steel sub-raw material, plaster, industrial salt and so on. With these two as the main axis, we are playing a very important role of domestic transportation.

TOPICS  
03

Connecting Hokkaido and Honshu and realizing an affluent life

We operate a passenger ferry service between Hachinohe and Tomakomai regularly (Silver Ferry), connecting Tohoku and Tokyo area with Hokkaido. As well as transporting goods that support people's livelihoods, such as home delivery goods and perishable food items, we also support people whose purposes are sightseeing, homecoming and business by offering a comfortable cruise.

Company Profile

Company Name	Kawasaki Kinkai Kisen Kaisha, Ltd.
Establishment	1966
Main Business	Short Sea and Coastal Shipping Business
Address	25th Floor, Kasumigaseki Common Gate West Tower 2-1, Kasumigaseki 3-chome, Chiyoda-ku, Tokyo
Base	Tokyo, Hokkaido, Aomori, Iwate, Ibaraki, Shizuoka, Osaka, Fukuoka, Oita, Miyazaki
URL	<a href="https://www.kawakin.co.jp/en">https://www.kawakin.co.jp/en</a>

TOPICS  
01

Technology-led supply chain management

We integrate unique software VMS® (Visibility Management System) with operation expertise and customer service around the world to create an efficient and expandable supply chain that meets customer needs. By visualizing purchase orders and providing KPI and remedial action plans, we will achieve continuous improvement for clients.

TOPICS  
02

Providing vendor management and value-added services all over the world

To maximize the benefits to customers, we work with vendors to improve performance and rationalize processes. We are supplying not only packing and quality inspections before shipment but also high value-added services such as cost reduction and operation efficiency tools.

TOPICS  
03

Providing the best cargo handling solution according to the needs

Together with subsidiary Universal Warehouse Co., we design solutions to provide transporting at a low cost within the due date by arranging various options such as marine transportation, land transportation, warehousing, delivery and transshipment.

Company Profile

Company Name	Century Distribution Systems, Inc. Group
Establishment	1969
Main Business	Freight Forwarding, Warehousing, etc.
Address	4860 Cox Road, Suite 210, Glen Allen, VA 23060
Base	USA, Mexico, Costa Rica, El Salvador, Guatemala, Honduras, Nicaragua, Panama, Brazil, Colombia, Peru, Uruguay, Egypt, Israel, Madagascar, Mauritius, Republic of South Africa, United Arab Emirates, Netherlands, Belgium, Denmark, France, Germany, Poland, Ireland, Italy, Portugal, Romania, Spain, Sweden, Turkey, U.K., Australia, Bangladesh, India, Pakistan, Sri Lanka, Brunei, Cambodia, Indonesia, Malaysia, Myanmar, Philippines, Singapore, Thailand, Vietnam, China, Hong Kong, Japan, Korea, Taiwan
URL	<a href="http://www.cds-net.com">http://www.cds-net.com</a> <a href="http://www.uwc-net.com">http://www.uwc-net.com</a>

TOPICS  
**01**

**Building high-quality, high-value-added cold chain in a Japanese style**

We contribute to the development of the Vietnamese economy and the quality of civic life by utilizing Vietnam's first warehouse which can manage four temperature zones (frozen, cold, chilled and constant temperature) established under "Cool Japan Strategy" and we also contribute to the introduction of Japanese food.

TOPICS  
**02**

**Most advanced warehouse handling for customer's important cargoes safely and hygienically**

Secured a good location near Ho Chi Minh city area, Cat Lai Port and international airport. Established most advanced warehouse here with the know-how of freezing/refrigerated warehouse business for many years in Thailand. With this warehouse, we will support many customers providing cargo damage prevention measures and energy saving measures.

TOPICS  
**03**

**Acquired international standard certification for food safety management system**

Acquired certification from the international standard ISO which evaluated our most advanced equipment, business process and quality management.

**Company Profile**

Company Name	CLK Cold Storage Company Limited
Establishment	2015
Main Business	Warehousing
Address	Lot B2, Tan Dong Hiep B Industrial Park, Tan Dong Hiep ward, Di An town, Binh Duong province
Base	Vietnam
URL	<a href="http://www.logitem-inter.co.jp/service/clk_cold_storage.html">http://www.logitem-inter.co.jp/service/clk_cold_storage.html</a>

TOPICS  
**01**

**Achievements of refrigerated warehouse business in Bangkok, Thailand over 30 years**

Established first warehouse in 1988 that boasts business record of more than 30 years in Bangkok, Thailand. In December 2014, 2nd warehouse started operation and provides a wide range of services including low temperature/refrigerated storage, delivery, customs clearance and distribution processing.

TOPICS  
**02**

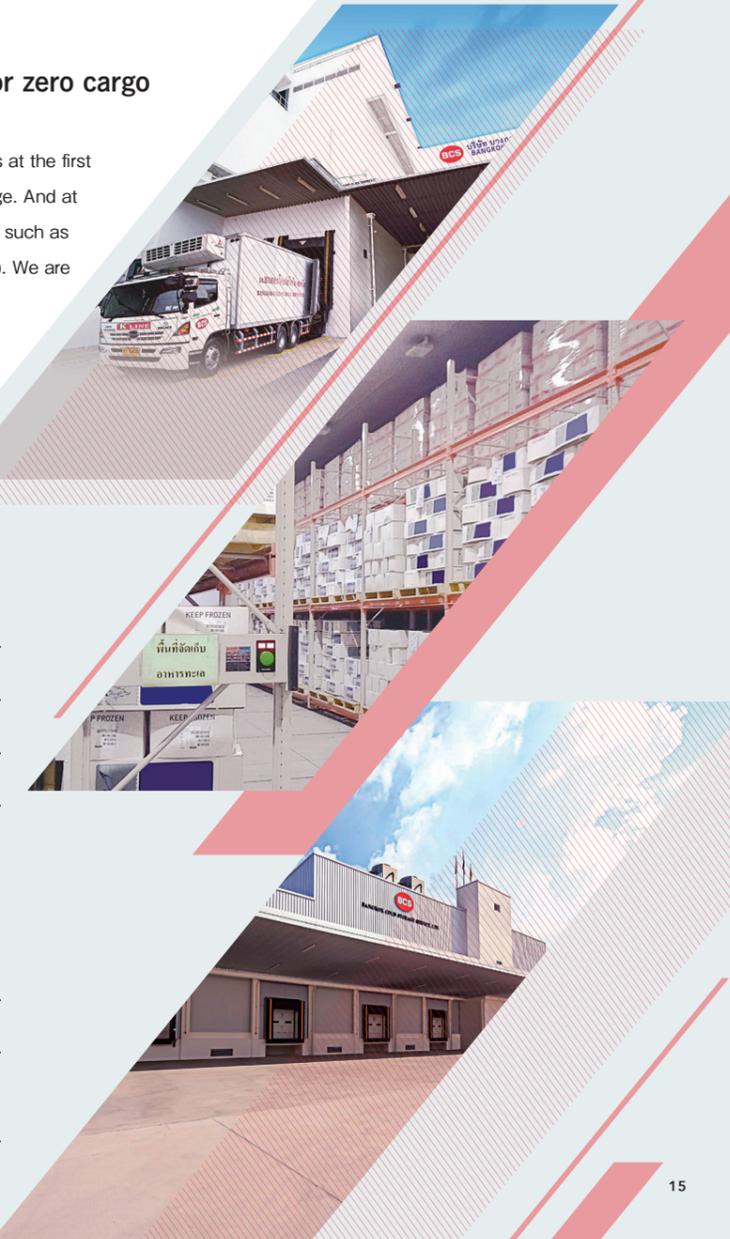

**Convenient location**

Both the first and second warehouse are close to Bangkok urban area which is the main consumption area. And access from Bangkok Port and Suvarnabhumi International Airport are also good. Offering such high-level convenience, we can maximize client needs.

TOPICS  
**03**

**Energy-saving warehouse aiming for zero cargo damage**

Taking advantage of know-how accumulated over many years at the first warehouse, we are working on measures to prevent cargo damage. And at the 2nd warehouse, we implemented energy conservation measures such as adoption of solar panels and natural refrigerants (such as NH<sub>3</sub> and CO<sub>2</sub>). We are also doing business with consideration for the environment.

**Company Profile**

Company Name	Bangkok Cold Storage Service, Ltd.
Establishment	1988
Main Business	Warehousing
Address	BCS I: 1377 Moo 7 Theparak Road, Tambon Theparak, Amphur Muang, Samutprakarn 10270 BCS II: 777 Moo 9 Bangna-Trad Km.18 Road, Tambon Bangchalong, Amphur Bangplee, Samutprakarn 10540.
Base	Thailand
URL	<a href="http://www.kline.co.th/KlineCoth/aboutus/bcs.aspx">http://www.kline.co.th/KlineCoth/aboutus/bcs.aspx</a>

TOPICS  
01

**High competitiveness of warehouse location**

"K" Line Container Service (Thailand) Ltd. (KCST) will continuously secure a favorable location for customers and respond to diversifying customer needs. KCST 1, the first warehouse, has easy access to Suvarnabhumi Airport and Bangkok Port. KCST 3 is located within Amata Nakorn Industrial Park with hundreds of Japanese companies. KCST 4 is located next to a highway which has easy access to Laem Chabang Port.

TOPICS  
02

**High-performance comprehensive logistics facility**

KCST 4, constructed in October 2015, enables high-level operations as a comprehensive logistics facility with worker-friendly design and efficient warehouse, container depot, and drain base.

TOPICS  
03

**Acquired International Standard Certification on supply chain security management system**

KCST acquired ISO 28000 and C-TPAT Certification which few logistics companies in Thailand have acquired. Those certifications are the proof of our high-quality service for shippers and relevant authorities. KCST successfully engages in handling high-value and high-risk cargo.

**Company Profile**

Company Name	"K" Line Container Service (Thailand) Ltd.
Establishment	1988
